

Breakout Session III: Fish/Wildlife/Habitat Criteria-Setting at the Local Level

**Finalizing discussions and
recommendations**

Participants will have the opportunity to:

- Review the flowchart of the process to set local criteria for the fish/wildlife/habitat BUIs, and;
 - Make recommendations for how that will proceed in each AOC.
2. Finish any necessary work remaining from Breakout Session I, taking into account resolution of issues determined in Breakout Session II.
 3. Prepare a timeline for the next steps for each AOC, including PAC meetings for the roll-out over the next 4 months
