

**A Management Plan for Lake St. Clair and the St. Clair River**

**PROPOSED TABLE OF CONTENTS**

*March 22, 2002*

**Preface**

**Acknowledgments**

**Table of Contents**

**Lists of Figures and Tables**

**Chapter 1     Executive Summary and Recommendations**

**Chapter 2     Introduction**

**Chapter 3     Overview of Lake St. Clair and the St. Clair River**

**Chapter 4:   Sources and Causes of Environmental Degradation**

*(topics to be addressed include, among others, point source discharges, nonpoint source pollution, contaminated groundwater, contaminated sediment, tributary inputs, spills, and airborne deposition)*

**Chapter 5     A Vision for Lake St. Clair and the St. Clair River**

Vision, Principles, Goals and Objectives

**Chapter 6     Habitat and Biodiversity**

*(topics to be addressed include, among others, wetlands and habitat, fisheries, critical habitats, habitat modifications and impacts, threatened and endangered species, nonindigenous aquatic nuisance species, and aquatic plant management)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations

**Chapter 7     Human Health: Drinking Water, Fish Consumption and Beach Closures**

*(topics to be addressed include, among others, beach closures, drinking water, bioterrorism/security, and fish consumption advisories)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations

**Chapter 8     Land Use and Coastal Management**

*(topics to be addressed include, among others, land use trends, land use impacts, lake levels and hydrology, and dredging and sediment management)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations

**Chapter 9     Recreational Boating and Commercial Navigation**

*(topics to be addressed include, among others, dredging, marine sanitation, personal watercraft, ballast water discharges, winter navigation, and cargo sweeping)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations

**Chapter 10    Monitoring and Data Management**

*(Topics to be addressed include, among others, overview of monitoring purposes, existing monitoring programs, monitoring gaps, regional monitoring strategy, and funding.)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations

**Chapter 11    Economic Benefits and Impacts**

*(Topics to be addressed include, among others, regional and national economic benefits, economic impacts from pollution, and return on investments in protection and restoration measures.)*

**Chapter 12    Achieving Our Vision**

*(topics to be addressed include, among others, existing management structures, administrative/management needs and management plan implementation)*

Overview, Current Status and Trends

Key Issues, Findings and Recommendations
