

Great Lakes Panel on Aquatic Nuisance Species  
Risk Assessment Ad Hoc Committee In-person Meeting  
University of Chicago Gleacher Center Room 206  
June 26, 2018  
8:30 AM – 10:30 AM CT

Agenda

1. Welcome, review agenda, and introductions (5 minutes)  
*Francine MacDonald*
2. Demonstration of the Invasive Species Centre risk assessment database (10 minutes)  
*David Nisbet*
3. Demonstration of risk assessment methodology database and other NOAA GLANSIS enhancements (30 minutes)  
*Rochelle Sturtevant*
4. Review committee charge document and recommendations and identify further work to be completed (40 minutes)  
*Sarah LeSage and Francine MacDonald*
  - Has this committee accomplished the tasks set out in its charge?
  - Based on the committee's recommendations on building a risk assessment clearinghouse to the GLP, is there more work that this committee can achieve?
  - Of the recommendations that have not yet been achieved, are there other entities who can complete this work/other opportunities for the committee to engage?
5. Clarify next steps and adjourn (5 minutes)  
*Sarah LeSage*
